

I am going to tell you truths I have been GIVEN to know by our CREATOR.

And What I am going to say you you are not going to like about the bible's 1611 translators.

you who are thinking the bible is being edited by men who believe our CREATOR IS A BEING WHO CREATED the universe. You are wrong.

the proof is right here in the 1611 preface. That those who translated the bible into english in 1611 did not believe our CREATOR IS A BEING WHO CREATED the universe.

So What is the **1611 preface to the bible**?

these are the words the translators wrote to tell us how and why they translated **from** the hebrew and greek manuscripts into English.

the first thing they want to address is in the title. and title reads - **THE BEST THINGS HAVE BEEN CALUMNIATED**

the word **CALUMNIATED** means – make false and de-fa-ma-tory statements about wherever was stated.

thus they are addressing the complaints about the “bible” being translated into english. AND about the corruption in the bibles that came before the english version.

the highlighted words are what I am going to speak to in this video.

The 1<sup>st</sup> words they wrote are - Zeal **to promote the common good, whether it be by devising anything ourselves, or revising that which hath been labored by others, deserves certainly much respect and esteem,**

the word – **devising** means – a plan, or, invent by careful thought.

by their own words they are translating the hebrew and greek manuscripts “for the common good” **////–** NOT for the betterment of knowing the truths that were written before or in the manuscripts. **And**

they were going to change the wording by their carefully planning what had been “labored by others”.

So What does “labored by others” mean to you?

to me it means the hebrew and greek manuscripts were too changed from the scrolls 1<sup>st</sup> written by men who witnessed our CREATOR and HIS PROMISES.

Let me show you a manuscript that is over 4,000 years old. This image is linked in the description below.

Notice the manuscript is over 4,000 years old and look at how good the image and text is for being over 4,000 years old.

So don't tell me the 1<sup>st</sup> writers words FROM our CREATOR were not destroyed, because the condition of this manuscript shows you the 1<sup>st</sup> writers words should still exist today.

now, back to the 1611 preface.

and To more words that speak to what I am pointing out about the translators //

It is welcomed with suspicion instead of love and with em-u-la-tion, instead of thanks: and if there be any hole left for cav-il to enter, it is sure to be misconstrued, and in danger to be condemned. **This will easily be granted by as many as know story, or have any experience.**

to me this means if any english text needs changing it will be granted by those **knowing the story**. Which sounds good upfront. BUT what the heck does “or have any experience” mean?

Does that mean someone with better knowledge of hebrew or greek can edit the text better then them?

no it does not when you read more.

for they give 4 reasons for “distinguishing” the changed word reasoning that person is wanting to change.

lets read # 3 //// - By the third, **we are enabled to inform and reform others, by the light and feeling that we have attained unto ourselves;**

from those words I can say the editors of the bible have a special light and feeling that they and **I quote** ATTAINED UNTO THEMSELVES that allows them to change the hebrew or greek wording into the correct english word.

Do you think that is how the 1<sup>st</sup> writers penned our CREATOR'S WORDS?

/// again I will quote what they wrote “by the light and feeling that we have attained unto ourselves”.

so they are making Changes by their “light and feelings” to change any word they want to change. But the most important words they wrote are that we have attained unto ourselves. ///

so what does this mean – they ATTAINED unto ourselves?

if we go by this statement about their “light and feeling they attained”. can this be the reason why the translators removed our CREATORS NAME “Y H V H” 6,825 times AND PUT IN 2 TITLES for HIS NAME.

do you even know they removed HIS NAME that is in the hebrew manuscripts And replaced HIS NAME with titles GOD and LORD.

to me that alone tells me the 1611 translators are not editing for the purpose of being truthful about our CREATOR and the 1<sup>st</sup> writers words.

in fact even in our times they are changing Y H V H to Y H W H.

I can even point to changes that were made by those that edited the manuscripts

Example /// Our CREATOR TOLD MOSES to built a TENT for MEETING With HIM. And Solomon to build a HOUSE for MEETING With HIM.

Yet they changed word TENT to tabernacle and they changed the word HOUSE to temple in the manuscripts. and those words are in the english translations even to today.

do you know the word temple in the bible is a place that the pagans placed their idols of their gods.

have you ever read the 4 gospels? Can you tell me why the text so hard to read, and why the 4 gospels are so out of order and confusing to read.

Do you know john 1:5 calls our CREATOR on it?

and can you call Jesus “this thing” ?

luke 2:15 does.

how can anyone say the bible editors fear our  
CREATOR making changes like this?  
or how can you defend them?

again I will read their words in the preface.

(and upon whose breasts again themselves do hang to  
receive **the Spiritual and sincere milk of the word**)

are they even writing about our CREATORS WORDS  
when they mention the sincere milk of the word?

I want to point out which words they did want to  
capitalize here and in other places in the preface.

here they capitalized the word divine for a male  
named gregory gregory the divine.

I ask you What male can be divine? For They seem  
to be fine with calling him **////** the divine with a capital  
letter.

And here

they wrote the 1st roman emperor corrected the  
calendar by reordering the year according to the course  
of the **Sun**.

notice that the word sun has a capital letter.

Do you know the egyptians had a sun god name ra?  
And the moon was considered his daughter, also  
known as the moon goddess?

do you know the sun rests for 3 days at the same  
place in the sky at sunrise. Then it rises northward to  
begin its yearly cycle?

now you know the western calendar is tied to the  
egyptian god ra.

and in the translators own words say "The first Roman  
Emperor did never do a more pleasing deed to the  
learned,"

what does the "learned" have to do with our  
CREATOR'S WORDS? And why are they pleased to  
follow a pagan sun god?

here is a question for you. what was the year, days  
and times set to, back before his days?

well I can tell you from our CREATORS 10 plagues in  
egypt AND by our CREATOR TELLING Moses the  
1<sup>st</sup> day of their 1<sup>st</sup> year was the day HE KILLED the 1<sup>st</sup>  
born sons from egyptians.

the plagues and HIS PASSINGOVER points to the summer solstice as the 1<sup>st</sup> HOLYDAY for Israel's year.

BUT there was and is today a pagan practice of a person meditating to have a sex with the so called moon goddess. And this practice is stated in mal 2:11

at the end of that verse it says "judah married the daughter of a foreign god." – judah refers to the kingdom judah. And THIS IS THE REASON why YV SENT all israelis into captivity and had HIS HOUSE burned.

do you know how one marries the daughter of this foreign god? ////////////////

lets look at what they wrote about king james -

This, and more to this purpose, His Majesty that now reigns knew full well, according to the singular wisdom given unto him by God, and the rare learning and experience that he hath attained unto

there is the word "attained" again. So let me remind you of those words. I read to you before - # 3 - By the third, we are enabled to inform and reform others, by the light and feeling that we have attained unto ourselves

now I will continue by asking you //// do you know what this "singular wisdom" is that is a "rare learning that king james knew of? ///

I just told you of a singular event of people marrying with the daughter of a foreign god by meditating. And they do this by timing their meditating with moon days to have a sex with a so call moon goddess.

And once a year a males maleness retracts inside his body!

and his maleness returns to normal 3 days later.

the Jews and then the Muslims new years days are marking those events of a **bodily god!**

**what is that? Have you ever heard of a bodily god?** Those words are right here in the 1611 preface.

I will now read those words - Well, that which they falsely or vainly attributed to these things for a bodily god, we may justly and with full measure ascribe unto the Scripture, for spiritual. It is not only an armor, but also a whole armory of weapons, both offensive and defensive; whereby we may save ourselves and put the

enemy to flight. **It is not an herb, but a tree, or rather a whole paradise of trees of life, which bring forth fruit every month**, and the fruit thereof is for meat,

so what is this bodily god that is ascribed in the scriptures that you can get for "spiritual"? which then, I quote "**whereby we may save ourselves**"? And how does this bring forth a "fruit every month"?

let me read farther down to get to some important words they wrote - **finally a fountain of most pure water springing up unto everlasting life**. And **what** marvel? The original thereof being from heaven, not from earth; **the author being God**, not man; **the in-diter** *//// (in-diter means the formulator of)*, *//// the in-diter, the holy spirit*, not the wit of the Apostles or Prophets; the Pen-men such as were sanctified from the womb, and endued with **a principal portion of God's spirit**; the matter, verity, pie-ty, purity, uprightness; the form, **God's word, God's testimony, God's oracles**, the word of truth, the word of salvation, etc.; the effects, light of understanding, stableness of persuasion, repentance from dead works, **newness of life, holiness, peace, joy in the holy Ghost**; **lastly, the end and reward of the study thereof, fellowship with the Saints, participation of the heavenly nature, fruition of an inheritance immortal, undefiled, and that never shall fade away**: Happy is the man that delighted in the Scripture.

I would like you to pause the video and re read the highlighted words a few times and ask yourself who is this **formulator of the holy spirit**? What are God's oracles? And what are they telling you is the reward for studying the bible is "**for a bodily god**" is more than armor "**whereby we may save ourselves**"? and are **delighted in the scriptures**.

I will remind you of their word attained again # 3 - By the **third**, **we are enabled to inform and reform others, by the light and feeling that we have attained unto ourselves**;

Here they are telling us what they **attain for a bodily god** "**whereby we may save ourselves**". And Happy is the man that delighted in the Scripture

Why Are they telling us about a different god to be "**SAVED and go to HEAVEN**". Should they not be telling us YV our CREATOR WHO SENT JESUS to be our King in HEAVEN, and He Is Who WILL JUDGE and save US from the coming place called hell.

so who is this god that is this **formulator** that brings forth? and I quote **"the holy spirit"**.

All this happens to the body after one has a sex with the so called female goddess.

1<sup>st</sup> they sit in darkness in the morning to have a sex with it. By that I mean as they sit there and then seeing it, it causes them to have the likeness of a release of their seed. But they do not release their seed.

then later that day their tongue's tips sticks to the roof of their mouth and a tiny bubble comes up their spine and grows larger as it gets to the head. And then it goes down their tongue and into their belly.

thus they eat this fruit every moon month.

let me quote their words again that I read before **by the light and feeling that we have, which bring forth fruit every month**

**this bubble** is the letter O in the english language. Now I will remind you of these words /// Well, that which they falsely or vainly attributed to these things **for a bodily god** this bubble is their o holy spirit, o god, o lord, o creator. Where as you read the text o GOD o LORD o CREATOR.

Do you know The single letter O is in the bible 318 times.

this bubble is also the white ball the Chinese dragon has before it.

then throughout the year a fluid from time to time comes up the spine and collects at the top of the head. – this is their words **"finally a fountain of most pure water springing up unto everlasting life."**

so this god or **formulator of the holy spirit** must be the female goddess that causes these things to happen inside the body for them to "attain unto themselves." Just like king james did to have this singular learning.

and let us not forget their words **"God's oracles, the word of truth, the word of salvation"**.

by the way the word oracle are words from other gods or goddess.

So they received their salvation from another god.

now let me again read **WHAT** your reward for studying the words in the bible. And I quote **"lastly, the end and reward of the study thereof, fellowship with the Saints, participation of the heavenly nature, fruition**

**of an inheritance immortal, undefiled, and that**

**never shall fade away:** Happy is the man that delighted in the Scripture

so you must have a **“participation of the heavenly nature”**.

Look here farther down we read **Nature taught a natural man to confess.**

so you now know why you are to study of the bible, it is to eat a fruit to be like the saints?

is that what you thought the words in the bible are to teach?

of course not. You were reading and trusting the 1<sup>st</sup> writers words. Who witnessed our CREATOR SPEAKING to males who were married to females for life.

Now farther down we read – when the fulness of time drew near, **that the Sun of righteousness**, the **Son of God** should come into the world.

and by what you now know of them and their sun god and the moon goddess practice. They again use a capital letter in the word Sun but they also added words to the sun by writing sun of righteousness. //// then by anyone learning their practice you become a son of the their god.

Next the translators brag of the their knowledge of this practice when we read - **that that Translation was not so sound and so perfect, but it needed in many places correction;** and who had been so sufficient for this work as the Apostles or Apostolic men?

**Yet it seemed good to the holy Ghost and to them.**

so here they are telling us the manuscripts needed many corrections

**and** it seemed good **“to the holy Ghost and to them.**

so now the holy ghost **and** them must agree for changes to be made bible.

let me ask you. Is their holy ghost the same holy ghost you have read about in the bible?

by that I mean **does man have to agree** with the holy ghost in order for the text in the manuscripts to be corrected?

for their words and logic for correcting the manuscripts IS man MUST AGREE with the holy ghost before correcting the text.

And again we read farther down - yea, **sometimes they may be noted to add to the Original, and sometimes to take from it**

**AND**  
as the **spirit** gave them utterance

what spirit are they talking about here. For it has no capital letter to refer to our CREATORS holy spirit.

IT MUST BE the singular spirit to give them utterance by their bodily god with a bubble.

the next words I will read are - We hoped that we had been in the right way, **that we had the Oracles of God delivered unto us**

So they had to have **Oracles of God delivered unto** them when they translated the bible into english.

Now remember that fruit they were saying you needed to eat each month?

well it is mentioned again a little farther down – and they wrote - **the fruit** whereof makes glad the conscience of man, and the stem whereof abides forever? And this is the word of God, which we translate.

Ta dah their fruit or bubble they eat every moon month is **their words of their god.**

this can not any way mean their god is THEE CREATOR WHO CREATED the universe.

There are many other words I have highlighted in the preface that is in the description below. FOR you TO read

this IS just some of the knowledge our CREATOR GAVE me about their sex practice.

and nowhere in the preface do they state up front they were correcting the text to lead you to YV our CREATOR and Jesus.

I know I have just revealed new things to you. And I can say every word I spake is true.

for I am revealing many things unknown to most people around the world. And today i revealed the bible editors today and yesterday's sex practice and why the bible is so hard to read.

I will say this, many of those males and female that were living this kind of life have changed from this sex practice and are returning to our CREATOR.

these are the people that did what I explained in my last video and have stopped that practice.

this can be seen by everyone who knows what the letter X means.

at some point I will explain everything I know about sharing love between a male and female.

but for now I will mention here yellow sperm is not good to create a child.

yellow sperm comes from a male sharing his love but does not release his seed.

when this is practiced by a male and female they 1<sup>st</sup> need to get very close to a release of their seed and then stop and suck up thru their tailbone as hard as they can.

This opens the holes that are sealed by releasing your seed.

what is also very important to know is a male needs to waste his seed that is yellow and wait 24 hrs for his seed to be white to create a child.

by not releasing your seed one remains youthful. And most important to a female is her monthly cycle stops.

Her monthly cycle is just her body telling her she did not conceive.

no release, no monthly cycle.

In My next video I will go over the 4 rules for HIS hidden formats in the bible.

These rules must be followed to reveal our CREATOR'S MESSAGE TO you.
