

there are **83** verses in the 4 gospels that have the words "Holy Spirit" and the word **Spirit**.

i have made a slide video // that way u can screen capture and review everything in this video

i will explain in detail the **truth** by using bible verses and strong's concordance to define spirit

the **83** verses seen here // are from the nasb 1977

slide 11

i used the 1977 bible because i have a very old software program that has the nasb concordance // which is their version of strong's concordance // i also will use the kj and strong's concordance that is also in that software program //

the nasb concordance is unique // because it shows how many times the english word is used for that hebrew or greek word

here is the hebrew word for **spirit** in gen 1:2 // the red arrow points to their Strong's notes for that hebrew word // notice it comes from an unused word meaning **breath spirit wind**

very old written hebrew didn't have a large word based language // so this is how we see how they might have used 1 word // 3 different ways when they wrote // but the other words used would let the reader know if it meant **breath spirit wind**

and that is how i am going to show you how to use the correct truthful word for Spirit

notice the numbers in the brackets // they tell us how many times that english word is used //

notice the highlight word **breath** is used 31 times // and the other highlighted word // **spirit** // is used 216 times //

slide

here is strong's concordance for that same verse // notice how he used the hebrew word for WIND and gave examples for this hebrew word // it starts out telling us wind, is also LIKE our Breath // then a little about the word spirit

people at that time didn't know about our voice box // their reasoning was if the tongue was cut off that person could not speak // thus the tongue spake // or they spake in tongues

slide

now this is the word Ghost in the king james // matthew 1:18 // which means we are using greek words // notice the red highlighted words // **soul** and **ghost** // the king james is using this greek word Ghost in this verse //

slide

here is the nasb's concordance of the same verse // but it doesn't give us much to go on except the english words they used in the greek text //

slide

so who got it right when we compare the verses //

what the bible text does not come out and say // is when does the soul come into the body // we learned our FATHER BREATHED INTO Adam and he was alive. and most likely Eve. // but after that time // what was their understanding 1000's of years ago.

slide

in 1 samuel 1:5 // we read our CREATOR had closed her womb // which means their thinking is // a soul must come from our CREATOR to conceive with the males seed //

we can learn this in verse 11 when we read Hannah is asking our CREATOR not to forget her // and give her a male soul to conceive.

Slide 16

so we have the king james being more correct using the word Ghost // but **we can** change the word ghost to soul and be more correct // and we also know in the old testament our CREATOR CALLED Jesus HIS HOLY ONE. //

thus Jesus' Soul is the Holy Ghost in 4 of these verses / and His Ghost **will descend upon Mary as the green highlighted text reads //**

Slide 18

in these verses we can change the word **spirit** to **ghost** // and they read ok until we read the last verse // this last verse is from Jesus when He was seen walking on the water // here the word ghost is very clear used **as a ghost**

and it is the best word to be used in this verse // but now the word ghost is not used truthfully in the above verses // the word ghost in the last verse is telling us Jesus didn't walk on the water // but He glided just over the top of the waves caused by the strong wind

Slide 19a

we seen in strong's concordance the word **soul** could have been used // and not the word spirit

with reasonable editing /// the verses are now truthful by understanding how their thinking a virgin birth was possible //

you also just learned our CREATOR didn't send HIS SOUL, but Jesus' Soul. // when we read the green highlighted text // Jesus is to be **called** // that is important word// **called** // for in this verse – if Jesus IS DIVINE by BEING our FATHER HIMSELF // the text would not use the word **called** // and just write // Jesus CAME FROM our FATHER'S SOUL // but its not written that way // and leaves people to argue if Jesus is Divine or not because of a virgin birth // and others will argue Jesus **Is** 1 of the 3 in the trinity // this verse is saying Jesus is not divine // for all our souls come from our FATHER // and we all know we all are not divine // but we are individuals

that is for another video // but here // we are learning how to define the words in the bible **from the bible** // and we should never use a secular dictionary to define the words in the bible.

slide 20

this slide shows how i would correct the text in the bible // **5 sec count**

slide

these gray highlighted words in these verses // all define the words **HOLY SPIRIT** and **SPIRIT** // by using the words within the gray highlighted words **they** are defining **HOLY SPIRIT** // AS our FATHER'S VOICE speaking thru peoples mouths // stop the video and read them over **5 sec count**

slide 22

we can now truthfully change these words Spirit to BREATH // and knowing the word HOLY here means our FATHER is HOLY // thus HIS BREATH IS HOLY

we also need to remove the word // **the** // and now righteously edited in // HIS HOLY BREATH

and now you know WHAT IS – HOLY SPIRIT // is HIS HOLY BREATH // defined by these 8 verses //

the last verse you see // is very very important // because the next slide is about Jesus' baptism.

please stop the video and study our FATHER'S WORDS. // for 1 // this verse is not saying Jesus is HIS SON // our FATHER IS DEFINING Jesus is HIS Servant // yet our FATHER IS GOING TO MAKE HIS BREATH ,, SPEAK THRU Jesus //

does this make Jesus Divine?

slide

there are 20 verses ABOUT Jesus' baptism // and i will go over 1 slide at a time and then show that slide's editing

the verse i told u to study in the last slide // is tied to the 2 verses with the bracket like lines on the right // stop the video and read these //

i want to 1st go over a few words that are highlighted in violet // and share the knowledge i have been GIVE by our FATHER // the word glorified has a line to the word Anointed //

if you studied the bible you will know our CREATOR had Moses use oil // that comes from HIS Tent for MEETING With HIM. this oil is used to burn to give light in HIS MEETING ROOM

Moses poured oil over each of the Priests head. // this anointing has a meaning for them to speak for our LORD to the sinner // so that the sinner could be told by his tribes priest after their priest Met with our FATHER // that his offering to atone for his, or his from his family sin // was FORGIVEN // for them to live in our CREATOR'S Kingdom //

i would add the word Anointing to this verse // because all the Laws COMMANDED BY OUR FATHER Jesus fulfilled them // my editing would read - - Jesus was not yet glorified by HIS ANOINTING

notice the words – **bodily form** // then notice the words after // **like a dove** // in this verse when the word sprit is changed to BREATH // this verse is saying HIS BREATH had a Bodily form, and **descended** like a dove //

have u ever watch a dove descend to the land? // their wings are spread open and they slowly swoop to land // but just before they land they raise up a bit and then land //

next the word **heaven** // actually there are 4 heavens //

in psalms 48:1-2 // we learn the motion of the stars forms HIS HOLY Mount Zion in the far north // this means the peak of mt zion is the north star // which makes this is the 2nd Heaven // and our FATHER LIVES in HIS HEAVEN above the north star // the 1st HEAVEN // and where the birds fly is in our heaven // and that is the 3rd heaven // below the ground is the abyss // the 4th heaven with no lights

slide 24

now to read and understand these 3 verses // our heaven opened to see the stars // then from HIS HEAVEN coming from above the north star // HIS BREATH DESCEND like a body and rest on Jesus like a dove

////////

now you know where everyone from Adam to Jesus, looked to and asked from our FATHER IN HEAVEN // and now you also know where our FATHER ASCENDED TO when leaving the earth

////////

the last violet highlighted word is // **spirit** // this spirit will be talked about in another slide //

Slide 25

This is the 2nd group of the 20 verses // and the arrow points to Jesus telling us HOW He is casing out demons // this means Jesus is not divine // and He is declaring to us our FATHER'S BREATH WAS GIVEN to Him to cast out demons

slide

these are the last of the verses in this group of 20 // **count to 5**

slide

here is my editing of the 1st 20 verses // the green highlighted words are words that needed to be added // because we now know the verses are telling us // HIS BREATH is the Spirit in these verses // and the blue highlighted words need removing // the red highlighted word needs to be added // because these words are from our CREATOR

slide

this is the 2nd group of the 20 // and the 1st arrow is pointing out the ' s at the end of the word BREATH // and HIS BREATH'S TRUTHS are our words we learned and use to speak about our FATHER //

the 2nd arrow points this out to // **but** // it also pointing to underlined text that is a doubling of like words // they are not needed to understand the verses // but it would make the reader stop and try to figure out what the verse is saying // without those words it reads better

slide

this slide is the last of the 20 // the arrow is pointing to the word // **who** // this tells me the person who added this word did not know HIS BREATH is COMING FROM our FATHER

// by adding the word // **who** // trinitarians would use this verse to say **this who** // is one of 3 // now that we know the truth this verse cant be used for the trinity // and the word who can be removed

as for the highlighted words in violet // these 2 verses // Jesus is telling us Jesus' Prophecy // thus, Jesus Will Send or Ask our FATHER to SEND HIS BREATH upon this Helper // and how by our FATHER'S TRUTHS the Helper is a Witness for Jesus //

slide

these 8 verses are telling us how each of these males heard from our FATHER BY HIS BREATH // **count to 5**

slide

here are the verses about **blasphemy** using the words Holy Spirit // this changes a lot of peoples thinking when they read these verses this way // because Jesus is Defining the word blasphemy // by using the verses **defined as Holy Spirit** yet truthfully our FATHER'S BREATH / OR HIS WORDS AND COMMANDS that are taught to us. // // // //

when re reading and thinking about how the text now reads // i am thinking the text is saying // who **curses** not the word blasphemy is the more truthful word // and the word BREATH is wrong // but the word SOUL is a more truthful word // thus // who curses against our FATHER'S SOUL is more to the point of what Jesus telling us why that person will never be FORGIVEN

slide 31a

these are the corrections that are needed in these verses //

now there are other verses with the word blasphemy and do they need changing // well, this video is not about those verses

count to 5

slide

this slide // Jesus is Teaching us about our soul // and how when we use our FATHER'S TRUTHS becomes our truths // and our truth becomes our righteousness // and our glory is when we speak about our FATHER // count to 5

slide

these verses // with only the word **Spirit** // are being used as the word **soul** // and you can see there is very little editing needed// count to 5

slide

remember this slide i showed from strong's concordance // the 1st arrow points to a soul // but the words being used define our flesh and blood as soul // and we know that is not true // for after our body dies our soul is to live IN HEAVEN or hell forever

slide

in this verse we learn our FATHER HAS A SOUL //

and to learn how 1000's of years ago they knew our soul comes to a female and by this conception forms our body to our soul //

1st we need to read about John // when John WAS SENT BY our FATHER // john must have known who and what Jesus looked like // for John said when he seen Jesus walking to him // he knew Him by just seeing Jesus

slide

this is that verse where John did know Jesus by sight // then we have a lie in verse 31 where John didn't know Jesus until after Jesus came up from the water //

there is a lot of editing in the bible that makes no sense // you might not see those verse until you study a lot and then our FATHER TEACHES HIS TRUTHS to you.

but what i want to point out is John knew what Jesus looked like before John saw Jesus walking towards him //

which means John's soul in HEAVEN meet with Jesus before they were on earth //

slide

in this slide John leaped in Elizabeth womb // thus John knew Jesus // even when Jesus was in Mary's womb // how can this be,, unless they met in HEAVEN? // therefore our soul is there at the time of conception

Slide

the arrow is pointing to a verse i already used // but now i need to use again // // instead of using the word demon // we also know these verses are about satan tempting Jesus //

by using the demon's name satan // the 1st verse editing shows i can remove the words highlighted in blue at the end.

Slide

in this slide are all the words are **spirit** // and they are demons // but what i find funny is if they are demons // why use the word // unclean //

so why are the editors today using trick wording? // and not using truthful words? //

Slide

this is the last of the 83 verses in the gospels // the top 2 verses the words in red highlight never happened // they need to be removed

the bottom 2 verses // the word BREATH seems to mean // **HIS WORDS** //

i hope you edit your bible // and read over my website Jesus'Prophecy.com // there i am revealing our FATHER'S HIDDEN FORMATS IN THE BIBLE // yes // Jesus' Prophecy is happening in your days

Slide

what we have now is the truthful words where every word **Spirit** is in the 4 gospels // HIS HOLY BREATH is the majority of the words for Holy Spirit // but where is **thee** WHO for the 3rd of the trinity? //

for you witnessed how from words within the verses gave us these truthful answers

everyone is TAUGHT **truth** BY our FATHER // and HE TEACHES us by how we use the truth being said from our soul //

when i tell to you our FATHER HAS MADE me see HIM 8 times, and HE HAS MADE me a Witness to Jesus // you can hear how much truth HE HAS GIVEN me to share with you // my videos and website are the truth i have been GIVEN to reveal to everyone //
